

# McInerney Homes launch new Showhome

THE Showhome at Waters Edge, the new McInerney Homes development situated on the banks of the Colligan Estuary at Knockateemore, Dungarvan, opened on Saturday, 6th October.

Visitors to the showhome were impressed with the standard of finish which is now synonymous with a McInerney home, whilst the design and location of the development drew much favourable comment.

Waters Edge offers a range of superbly designed, spacious family homes in a uniquely located development with large green areas and designated walks along the banks of the River Colligan.

Situated within 1 mile of the town centre adjacent to McInerney Homes other two developments at Knockateemore, River Lane and Cruachan, this development offers well designed, energy efficient spacious fam-

ily homes with integrated appliances in kitchen and utility room. All houses have a patio area and spacious gardens.

These 3 bedroom semi-detached and 4 bedroom detached homes offer the discerning customer an opportunity to purchase a McInerney home in this new residential development with excellent quality standards which McInerney's are renowned for.
